20 November 2009

Dear Parents/Carers

As part of developing our Extended Services provision, we are looking into starting a Saturday school at Acland Burghley from January 2010. Our current plans are that if there is sufficient interest we would run classes in English, Maths, Science and ICT. The aim is to give a boost to any students who may benefit from it. Classes will be taught by qualified teachers from the school, with a maximum of 15 students per class. If there is enough interest, the school will run for 8 Saturdays in the Spring term from 9.30am to 1.30pm. There would be four study periods, a break and a short whole group activity. Separate classes would be run for students according to their age and ability.

There would be a fee of £15 per week for this extra provision, but some students will be eligible for a discounted rate of £7.50 per week. At present we want to find out how many parents would be interested, and you are not committing yourself or your child at this stage.

If you are interested please ensure that this form is returned to the School Office by Monday 30 November.

Yours sincerely

Anthony Wilson  
Deputy Headteacher

Name:

Child's name:

Tutor Group:

I am interested in enrolling my child for Saturday school at Acland Burghley in January 2010.

I would like my child to have Saturday classes in:

- English, Maths, Science and ICT  
 Another subject (please say which): \_\_\_\_\_

Please return to the School Office by **Monday 30 November**.
