Creating Excellence Together

We welcomed students into their next academic year group this week, with our new Y10 starting their GCSE courses, many of them in subjects that they have chosen through our pathways, that are new to them. I have been particularly impressed with their focus in the first week, and know that teachers and support staff have been too.

In assemblies, this week, I spoke about Creating Excellence Together, our school motto. In the assemblies, I highlighted the importance of learning from our mistakes, at the same time as accepting feedback and correction in order to do this. I gave the example of an author rejected eleven times by editors, who worked on the feedback they gave her with each rejection - J.K. Rowling published her first Harry Potter after that eleventh rejection.

Our Learning Community works on this premise and, from my observations and interactions this week, it would appear that students have returned from the half-term break with the desire to do well and an increased appreciation of which aspects of their work they need to address in order to make any improvements.

With best wishes

Martha Collins
Deputy Headteacher
mcollins@aclandburghley.camden.sch.uk

Dates for your diary

Monday 10 June 5.30 pm: New Y11 Concert
Wednesday 12 June: New Y11 GCSE Solo Concert
Friday 14 June 3-5: New Y11 Work experience interviews
Tuesday 18 June 6.30 pm: LaSWAP Summer Concert, St Martin’s Church, Gospel Oak
Friday 21 June: Y11 Prom
Monday 24 June: Y12 Futures Day
Tuesday 25 June 9 - 10.30 am: AEN Open Morning
Wednesday 26 June 9 - 10.30 am: AEN Open Morning
Friday 5 July 5 - 8.30 pm: Celebrating Excellence, Art Exhibition
Wednesday 10 July 6 - 9 pm: Whole School Production
Thursday 11 July 6 - 9 pm: Whole School Production
Monday 15 - Friday 19 July: New Y11 & Y12 Work Experience
Thursday 18 July: LaSWAP Sports Day
Monday 22 July: PSHCEE Drop Down Day
Tuesday 23 July: End of Summer term, Students finish at 12.15 pm

To sync the school calendar with your own, please view the Calendar on the school website: http://www.aclandburghley.camden.sch.uk/Calendar/

Next week’s trips

Monday 10 June Session 1: 9.30am - 1pm
Monday 10 June Session 2: 12.30 - 3.30 pm
Waitrose Cookery School – Kings Cross
Community news

Ingestre Road community celebration event
Saturday 15 June 3 - 6 pm

Over the last 3 months artists and residents of the Ingestre Road Estate have come together to create a work of art for the estate.

Using drawing, paint, sound, dance and 3D modelling we have created a painting on a wall at the end of Fletcher Court, a composed audio piece, a series of movement pieces and a selection of 3D maps of the estate. Together we have created a vibrant piece of art that celebrates the spaces we live in and the stories of the people that live here. We now want to celebrate living here and the things we have created together! On Saturday we will gather near to Fletcher court with activities for ALL ages including:

- Making stations and a chance to experience the audio, 3D and movement art work
- Games
- Entertainment
- Refreshments including ice cream, tea, cake and other treats
- Prizes to be won

It’s free and open to everyone!
We just ask that you come along and if you can – bake a cake and bring it along to share! We will provide the rest! If you need any more information or would like to contribute something to the event please contact wallsonwalls@gmail.com - all ideas welcomed!

Project supported by:

LGBT Youth Singing & Songwriting Project

For LGBT+ young people aged 13-19
Meet other LGBT+ young people, create new music and work on a performance to celebrate Wac Arts turning 40 and the queer history of this amazing building!

27th June to 25th July 2019
Thursday evenings from 6:30pm-8:30pm
With a performance at the WAWA Weekender on 27th July 2019

For more details email: info@WacArts.co.uk

Wac Arts, 213 Haverstock Hill, London NW3 4QP
www.WacArts.co.uk
Learn how to fix a bike

Queens Crescent – The Dome
170 Weedington Rd, Kentish Town
London NW5 4NU

6pm-8pm
Thursday 13 June    Thursday 20 June
Thursday 27 June    Thursday 4 July
Thursday 11 July    Thursday 18 July

This is a six week programme for young people aged 10 -18 years which is FREE to attend.
Over the course they will learn how to fix up and repair pedal cycles.
If participants show willingness to learn, demonstrate good soft skills; punctuality, communication, teamwork, leadership. They will be given a bike to keep at the end of the programme!

Screenagers - Growing up in the Digital Age

Tuesday 11 June 7.30 - 9.30 pm
at St Mary’s Church, W1H 1PP

Price: £10 including drinks and nibbles

Join us for this exciting evening of poignant insights from authors, psychologists, and brain scientists on how tech time is impacting our children’s development.

This is one of the biggest parenting issues of our time and this film, although focusing on children in the States, is just as relevant to children in the UK, and will really help us explore the struggles we are having with our children over social media, video games, academics and internet addiction.

As with her other two award-winning documentaries on mental health, physician and filmmaker Delaney Ruston takes a deeply personal look at all of the issues surrounding social media and the use of the internet and how it might impact our lives.

Come and hear some excellent solutions and practical resources on how we can empower our children to best navigate the digital world and find a more balanced one.

Calling all Musicians!

Do you fancy being part of this record breaking attempt or do you know anyone who does?
The Blues Kitchen in Camden is attempting to break the world record for longest blues jam. The gig runs from 8 pm Sunday 9 - Thursday 13 June.
Musicians who want to be involved can sign up using the link below. You will need to pay £3 to take part - with all money raised generously being donated to Camden Music Trust and Help Refugees charity.

Jay Rowe
Head of Music
jrowe@aclandburghley.camden.sch.uk

We need your feedback on the Healthy School Street scheme

The temporary closure of Burghley Road in the morning and afternoons has now been in place three terms. London Borough of Camden would like your feedback on the scheme.
Please comment in particular on road safety, congestion and poor driving and how or if the scheme has helped to improve these issues.
Please email info@aclandburghley.camden.sch.uk and we will pass your comments on.
Thank you,
Yana Markey
Communications Officer

2018/19 Building Programme
Work to replace the aging pipework, cabling and other services on the second floor of green block has now completed, which marks the end of 4 classrooms at a time being taken out of use. Work will move to Art 4 and Art 5 from Monday 10 June to Friday 21 June, which doesn’t affect any lessons.
From Monday 24 June to Friday 5 July, Art 6 and CS2 will be out of use.
From Monday 8 July to Friday 19 July, CS1 will be out of use.
Confirmation of the temporary classrooms that will be used for lessons and registrations usually scheduled for Art 6, CS1 and CS2 will follow and there will be signs around the school to direct students.
Any questions can be directed to me at sbm@aclandburghley.camden.sch.uk

Kat Miller
Director of Operations

Place 2 Talk
Something on your mind or you would like a moment of quiet during the day to collect your thoughts?
We are here to listen to you. Either Ms Clarke, Ms Blackwood or Ms Arunagiri will be available to talk to every lunchtime.
On the door of the meeting room there will be slips with times on them. Please take a slip off the door and arrive at the time specified on the slip.
Every lunchtime, in the meeting room on the first floor of yellow block.

Place 2 Talk
At Acland Burghley we are keen to support students with all aspects of their learning. At times, there may be thoughts that students harbour that can prevent them from making progress in lessons. They may also feel isolated and unaware of how to offload these feelings and can hold on to these for long periods of time.
In the flying start, we are launching ‘A Place To Talk’ space. This will be a space where students can come and talk to a designated member of the Safeguarding and Well-being team at lunchtime. We want to give students the opportunity to use a space, where we can further support their mental health and well-being. We want all students to know that we are here to listen to them and offer strategies to support them.
Please see the attached on the left for additional information.
Thank you,

Hiri Arunagiri
Lead Practitioner (PABS)
harunagiri@aclandburghley.camden.sch.uk
Curriculum notice

This week has seen our annual Flying Start get underway with all students moving up into the next year group. Our Flying Start has become an important part of our annual school curriculum cycle. It plays an important role in our efforts to maximise the students’ productivity and progress in the summer term to ensure students continue to make excellent progress in all of their subjects. Students have a sense of maturing and taking on the responsibility of moving up in to a new year group with new subject teachers and a new timetable. It is an opportunity for reflecting on the year so far and setting new ambitious academic and personal targets going forward.

There has been a real sense of excitement with students looking forward to their lessons with their new teachers. I would encourage parents and carers to ensure their child is working hard to maximise their potential in this period. Families should be ensuring that homework is completed as soon as possible and ask their child about the subjects and topics they will be looking at this half term. Staff will be giving all students medium term plans so that they know what they will be learning and when there will be assessments, tests and key dates and deadlines.

Below are some of the main highlights and changes that occur for each year group for the Flying Start.

New Y8

Students in new Y8 move up from being the newest to Acland Burghley and will follow the same curriculum that they have done in Y7. They follow a broad and balanced range of subjects but will get new teachers and new peers in their classes. Being the youngest members of our community, new Y8 have had time to settle in and mature into confident individuals that should know the systems and structures of the school well. We want new Y8 students to use the summer term to embed good habits around independent learning, excellent attendance and homework. We would also like them to get more involved in extracurricular activities and aim to get as many praise and merit points as possible.

New Y9

Students moving from Y8 into new Y9 have started an important year where they will start to make decisions around their pathways and will choose their options subjects that they will study at GCSE. They will receive plenty of quality advice and guidance on what subjects they should take depending on their strengths, future plans and interests. There will be a range of students in new Y9 that will vary from knowing exactly what they want to take as their options subjects and even have a strong idea about their future careers, to those that they are less sure and will be undecided about their future plans. Families will be notified of all the events leading up to the options process and there are a range of activities that will occur in school from expert advisers and other staff to give students plenty of information and support at this exciting time.

New Y9 students have had changes to how the creative arts subjects are delivered for the Flying Start with students now taking 4 periods of 1 subject instead of 2 periods of 2 arts subjects. This is to allow students to do more in depth, detailed project work on the different arts subjects at a crucial time where they may be deciding to take arts subjects as part of their GCSE options. The students will then change and study the other arts subjects on a carousel format so that they study all of the arts in this way over the course of the year. Details for the Flying Start are as follows:

- 9x1 will study Art & Dance
- 9x2 will study DT & Dance
- 9x3 will study DT & Dance
- 9x4 will study Art & Dance

Some students in new Y9 will also have started fast track Spanish or French as a second language to study. We hope that these students will choose to take two languages at GCSE and perhaps go on to study languages in further education.

New Y10

New Y10 are very excited to be beginning their options GCSE subjects as well as continuing with their core English, Maths and Science lessons. It has been pleasing to see their enthusiasm as they embark on the beginning of KS4 with their all important GCSE exams this time in 2 years. It will be important that they start with high expectations of themselves and work hard in the Flying Start to make the most of this extra time. It is also important for them to make positive starts to learning the knowledge and skills that they will need to apply in their final formal exams.

New Y11

The students entering new Y11 have now completed a whole year of their GCSE subjects and should have developed positive learning behaviours. This is especially important as they have now entered the last stage of KS4 and will be sitting formal examinations 1 year from now. They should use the Flying Start to plan out the key assessment points over next year and start to get individual revision timetables and programmes in place. They are expected to be completing plenty of independent study over the Flying Start and beyond in addition to the regular homework that is set. Mock exams will take place as follows:

- July 2019
- October 2019
- December 2019
- March 2020

Aaron Shufflebotham
Director of Learning - Curriculum
ashufflebotham@aclandburghley.camden.sch.uk
Students in Key Stage 3 came in very excited this week and have now completed their first full week in their new year groups.

All students in both Y8 and Y9 should now have a timetable with their new lessons and teachers. This should be in their diary. Please do check this and ensure that they come prepared each day for their new lessons. The flying start brings about a sense of injecting fresh learning for students.

The development of student resilience in the flying start is essential. New teachers, new lessons and new students to work with can be a little daunting but also an exciting change. Please do speak with your son/daughter about their new teachers and lessons but also encourage them to take some time to settle and ‘give it a go’. They will be developing new relationships and new bonds with both adults and other children they may not like, but embracing this will help to prepare them for their future.

In tutor time this week students re-familiarised themselves with our ‘Home School Agreement’, which they and you signed when you entered the school. It outlines the partnership that we all agree to work within to ensure that all students are successful in school and beyond.

With the warm weather now with us, I would like to remind parents of two key parts of ‘Our Learning Community’ ethos.

**Water only**

Fizzy or sugary drinks are not permitted in school. I would like to ask all families, if possible, to provide students with a reusable bottle so students can have water with them throughout their lessons. Having the re-usable bottle means that students can refill it at the end of break and lunch to avoid leaving lessons when valuable learning is taking place.

**Dress code**

A reminder to parents that, although we do not have a uniform, we have a dress code throughout the year. Please do familiarise yourself with it and ensure that your son/daughter is dressed accordingly for school. I would like to point out three key aspects that students often spend time trying to negotiate around the dress code.

1. Midriffs of students should not be visible, there should be an uninterrupted line of clothing from shoulder to knee.
2. See through clothes, ripped jeans and shorts that are above mid thigh length are not part of our dress code.
3. Flip flops and sliders are not appropriate footwear for school.

I thank you in advance for supporting the dress code throughout the school year.

Annie Parkin
Director of Learning - KS3
aparkin@aclandburghley.camden.sch.uk
Extension: 3049

**Appropriate**

- An uninterrupted line of clothing covering the body from the top outside edge of the shoulders to mid-thigh.
- Midriffs are to be covered at all times.
- Appropriate necklines and clothing that completely covers all underwear.
- Appropriate footwear must be worn for Health and Safety reasons.

**Not appropriate**

- Hats, bandanas and other headwear except when worn for religious reasons
- Low-cut tops, spaghetti straps, tops without a sleeve
- Inappropriate graphics and images that promote the use of alcohol or drugs, swearing, gangs or attacks on the identity of individuals or groups
- Underwear showing
- Flipflops/sliders/high heels/bare feet

As we approach summer remember...

Although we do not have a uniform, we do expect students to dress in a suitable manner and wear appropriate clothes and shoes for a working school day. Excessive jewellery is not allowed and all jewellery must be removed during Dance and PE lessons.
KS4

Y11 Cohort 2018-19

Our Y11 cohort continue with their exams this week. They are three quarters of the way through now and they continue to impress in the exam hall. We have also had many return for revision after school.

At this point in the exam period some students may start to feel that due to their positive experiences so far, they can take the exams in their stride and therefore take their foot off the pedal. The reason that many have felt positive is because they are well prepared. They have worked hard all year with staff. In this final week and a half they need to continue to revise and put in the hours so that they feel equally successful at the end of the exam period. Now is not the time to relax.

I am attaching the overview of the exams for the next two weeks in the bulletin email. Please use this to support your child in their preparations. They should arrive outside the exam hall/room at 8.50 am for morning exams and 1.30 pm for afternoon exams. We must have a prompt start.

As the weather warms up, please ensure your child has a bottle of water with them. If this is a plastic bottle, the label must be removed. They will need to be appropriately dressed for the unpredictable weather. It does become quite warm in the exam hall.

A reminder that we will gratefully receive GCSE text books that your child no longer needs. Please hand them in at reception or have your child leave them on the designated tables inside or outside of the exam hall.

Your child can claim back their deposit if they return their locker key. Please remind them that we will need these for the next cohort.

The exam contingency day is Wednesday 26 June. On this day your child should be available to sit an exam if the exam board requires it. Please ensure that your child is aware of this. This day has been put aside in case the integrity of a paper is called into question, i.e. it has been leaked online in which case a new paper will be set.

And finally a few key dates:

<table>
<thead>
<tr>
<th>Date</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fri 21/6</td>
<td>Y11 Prom</td>
</tr>
<tr>
<td>Wed 26/6</td>
<td>Exam Contingency day</td>
</tr>
<tr>
<td>Fri 28/7</td>
<td>LaSWAP Taster day</td>
</tr>
<tr>
<td>Thurs 22/8</td>
<td>Results day &amp; Enrolment Day</td>
</tr>
<tr>
<td>Fri 23/8</td>
<td>Enrolment Day</td>
</tr>
<tr>
<td>Tues 27/8</td>
<td>Enrolment Day</td>
</tr>
</tbody>
</table>

We continue to wish our Y11s all the very best.
New Y11 Cohort 2019-2020

The New Y11 made a real flying start to the year. They are focused and ready for the challenge ahead. It was good to see such a positive indicator for the year ahead.

Your child’s attendance is a crucial component to their success. Please ensure that your child is in school every day on time. On the very rare occasion they are unavoidably absent, ensure you contact the school firstly to inform the school but secondly to collect work. You can email Christina Louka, your student progress leader, who will collate work and send this to you. As students enter the final phase of preparation for their end of year exams you will not want them to miss any lessons.

Equally important is Homework. Teachers will be setting homework in preparation for exams and the completion of these tasks will ensure they are fully prepared. Teachers put homework up on the Show my homework website. You do not need a login to access the site.

There are three weeks left till end of year exams. I will be publishing the timetable soon and it will be posted home. Exams will take place from Monday 1 July to Friday 12 July.

Please keep an eye on the bulletin next week as I will be outlining some of the practical ways you can support your child through the exam period.

And finally a few key dates:

<table>

</tbody>
</table>

New Y10 Cohort 2019-2020

New Y10 students really have made a flying start this week. So many of them are focused and engaged in class indicating that they take their step up to KS4 very seriously.

Talk to your child about their week. Ask them about their lessons. Getting into the regular habit of discussing their week will keep you informed as well as enabling you to assess how well they are doing. If you have any queries do email Sean McHugh, Tom Andrews or I. We will be able to support you at this crucial juncture. Making a good start to their GCSEs will ensure further success later on.

With warm wishes

Asma Khan
Director of Learning - KS4
akhan@aalandburghley.camden.sch.uk

Languages

New Y11 students have their Oral mock exam the week starting the 17 June (worth 25% of the overall mark).

- Ms Latorre: Tuesday 18 June
- Ms Williams: Tuesday 18 June
- Ms James: Wednesday 19 June
- Mr Deacon: Wednesday 19 June
- Ms Jacob: Thursday 20 June
- Ms Short: Thursday 20 June

Your child’s teacher has given him/her the time of their preparation and mock exam. It is vital to arrive a few minutes before their preparation time for the smooth running of the day.

Students (Foundation and Higher) have 12 minutes preparation at the back of the library with an invigilator to prepare for a role-play and a photocard before entering the exam room.

The test will last between 7-9 minutes at Foundation level and 10-12 minutes at Higher level. As well as the role play, a photocard, students will have a conversation on topics covered since the start of Y10. These include: Family and relationships/New technology/Free time/Customs and festivals/Local area/Global issues.

Students should have prepared their answers to those conversation questions in their Speaking folder and should have started their revision over May half term. If you have any further questions, please do not hesitate to contact your child’s Languages Teacher.

Katty Jacob
Head of Languages
kjacob@aalandburghley.camden.sch.uk
Y11 Parent & Carer LaSWAP
Information Evening
Monday 24 June 2019
Acland Burghley Sixth Form Common Room

We are pleased to invite parents & carers of Y11 students (currently sitting their GCSEs) to Acland Burghley on Monday 24 June to meet the Sixth Form team. You will find out some more about life at LaSWAP, qualifications available, entry criteria and Higher Education, and answer any questions you may have about starting sixth form in September 2019.

If you would like to discuss anything in advance of the evening, please contact me.

Laura Stanley
Student Pathways and Progress Leader
lstanley@aclandburghley.camden.sch.uk
02074858515 extension:4061

Y13 Leavers Tea Party
All Y13 students are invited to join the Sixth Form Team for a farewell tea party at 2 pm on Tuesday 25 June (prom day). Drinks and food will be provided, and it will be an opportunity to say goodbye to each other, the staff and Acland Burghley School. We would love to see as many of you as possible there!

Y12 Personal Statement workshop
Cambridge University admissions tutors are running a special session on writing personal statements for highly selective universities (not just Oxbridge). This will take place at Parliament Hill school on 11 July, 4.30 - 6 pm. Please sign up using this link, or see Ms Stanley:

Y12 One to One Careers and HE Interviews
This half term, every student in Y12 will have a one to one interview with our independent careers & HE advisor, Lindsay Evans. These interviews will allow students to consider their post-18 options and discuss their next steps, including university/HE, apprenticeships, work, and other pathways. These interviews form key part of our careers strategy at Acland Burghley, and are compulsory. Appointment slips were given out by form tutors – please check with your child & make sure they know when their appointment time & date is. They can also get their time & date from me in the sixth form office.

Laura Stanley
Student Pathways and Progress Leader
lstanley@aclandburghley.camden.sch.uk
Urgent Situation
If your child has secured work experience and the details have not yet been passed to me please can you ask them to see me urgently?

Parents of students who have secured a placement would have received a letter informing them of interviews on 14 June at 2 pm with employers. Please note, students should make contact with their employers next week to confirm arrangements (as per letter).

Students without placements next week will be given a placement by me which could be in or out of school.

Thank you for all the support and help shown to students throughout the process, which I know can be very difficult.

Tracey Maker
Careers, Education, Information, Advice and Guidance Co-ordinator
tmaker@aclandburghley.camden.sch.uk

Look out for Work Experience/Volunteering opportunities at Lauderdale House in the Bulletin email!
We’re running our Summer Youth Project again this year — a special work experience placement focusing on creating and planning an event for teens, as part of the Crick’s annual film festival, Science on Screen.

Join a group of young people to create your own event. You’ll develop your skills as you design everything from the event to promotional materials and how it’s marketed - all with expert support from the Crick. You’ll then host and manage the event itself in a special teen film screening open to the public.

**DEADLINE FOR APPLICATIONS**
**WEDNESDAY 29 MAY 2019**

**PROJECT DATES**
The placement runs over the summer holidays. To apply you need to be able to make all of these dates:
- Kick-off meeting, 11am-1:30pm on Tuesday 23 July
- Then 11am-2pm Thursday 25 July and every Thursday in August (1, 8, 15 and 22 August)
- And your film screening event and follow-up meeting in September/October 2019

Lunch will be provided and there will be no work outside of the meetings.

Joining the Summer Youth Project at the Crick will also offer you the chance to:
- Develop confidence and skills in self-management, team working and communication
- Boost your CV
- Be part of a creative group of young people

**WHERE**
All planning sessions and the final event will be held at the Francis Crick Institute 1 Midland Road, London, NW1 1AT

**HOW DO I GET INVOLVED?**
To apply for this project, work with your teacher, work experience coordinator or youth worker to complete the short online application form.

If you have any questions about this placement, contact work-experience@crick.ac.uk
Welcome to our Summer Calendar of forums, workshops and meet-ups for anyone in Camden with a child or young person with special needs – please come along!

Forums/ Coffee mornings are a chance to meet other parents and to get and give feedback on important local issues.
There’s no need to book in, please just come along!

Workshops are held each term on different subjects – BOOKING ESSENTIAL

Walk and Talk are relaxed walks on Hampstead Heath and a chance to get together with other parents, have a cup of coffee along the way and just talk about anything and everything.

Yoga and Lunch is another popular feature on our calendar. Again a chance to meet up with other parents in a relaxed setting for a couple of hours and enjoy a FREE lunch prepared by KIDS keyworkers.

Anything on the list in BLUE - PLEASE BOOK

To book a workshop, get on our mailing list or to find out more please get in touch:
Rachel.Dixon@kids.org.uk or Maria.Schultz@kids.org.uk. Text or call Maria on 07826 671 523 or call the KIDS office on 0207 431 8476 and ask for Rachel or Maria.
We are also on facebook – www.facebook.com/CamdenSpecialParentsForum and you can follow us on Twitter @CamdenSPForum
